

Name	MASLINA JAILANI	
Country	MALAYSIA	
Organization	PUBLIC SERVICE DEPARTMENT	
Title	ASSISTANT TECHNOLOGY ANALYST	

**What did you learn in this training course?**

Increase knowledge of ICT skills through the development of standards and innovation that are constantly improved and forward.

**What is the good point(s) of this training course?**

There's a lot of new knowledge and information gained especially on standardization and of course Japan quickness in delivering the latest innovations, including efforts to tackle disasters.

**What is your impression to ITU-AJ?**

For me, ITU-AJ is an agency who is an intermediary between the agencies helping to create and spreading information, knowledge and raising awareness about ICT and broadcasting towards domestic and international.

**What is the field(s) in which you are interested?**

ICT policies and services

**Are there any Japanese organizations you would like to contact?**

I'd like to keep in touch with ITU-AJ and of course to all the company and agencies that I visit of our study visit recently.

**May ITU-AJ transfer the e-mail from the organization which has interested in you or your organization to you?**

Yes. Of course. Kindly emailed also to my personal email : [anilwanina@gmail.com](mailto:anilwanina@gmail.com)
